Herewith is a copy of informal comments submitted to Mr. [redacted] of the PSB with respect to a paper he wants to include on the next PSB agenda. He asked for informal staff comments from the agencies to ~~be~~ incorporate in a redraft prior to submission for formal consideration. Mr. [redacted] touched base with Mr. [redacted] the other day on this matter and, although I do not believe [redacted] made a detailed study of it, he told [redacted] to go ahead and consolidate the comments from SR, PY/Prop, and several selected individuals [redacted] [redacted] and submit them.
